

Hillary - I'm Still Trying To Figure Out How I Lost The Election

Was it the Russian Uranium Deal?

Was it Wikileaks?

Was it Podesta?

Was it Comey?

Was it having a sexual predator as a husband?

Was it Huma Abedin's sexual predator husband Anthony Weiner?

Was it because the Clinton Foundation ripped off Haiti?

Was it subpoena violations?

Was it the congressional testimony lies?

Was it the corrupt Clinton Foundation?

Was it the Benghazi fiasco?

Was it pay for play?

Was it being recorded laughing because I got a child rapist off when I was an attorney?

Was it the Travel Gate scandal?

Was it the Whitewater scandal?

Was it the Cattle Gate scandal?

Was it the Trooper-Gate scandal?

OR....

Was it the \$15 million for Chelsea's apartment bought with foundation money?

Or my husband's interference with Loretta Lynch & the investigation?

Or happily accepting the stolen debate questions given to me?

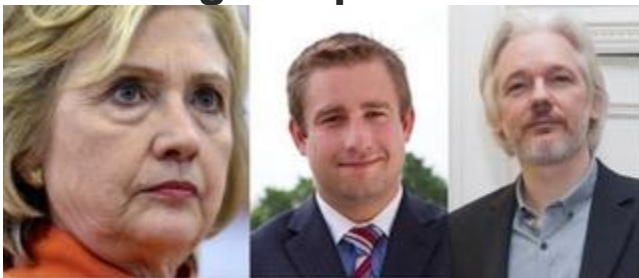

Or my own secret server in our house and disdain for classified information?

Or deleting 30,000 emails?

Or having cell phones destroyed with hammers?

Was it the Seth Rich murder?

Was it the Vince Foster murder?

Was it the Gennifer Flowers assault & settlement?

Was it the \$800,000 Paula Jones settlement?

Was it calling half the United States deplorable?

Was it the underhanded treatment of Bernie Sanders?

Was it Bill's impeachment?

Was it the lie about being under sniper fire in Bosnia?

Was it the \$10 million I got for the pardon of Marc Rich?

Or the \$6 BILLION I "lost" when in charge of the State Dept.?

Or because I am a hateful, lying, power-hungry, overly ambitious, greedy, nasty person?

Gee I just can't seem to put my finger on it...
