

What did *you* do today
... for Freedom?

Today, at the front, he died . . . Today, what did *you* do?
Next time you see a list of dead and wounded, ask yourself:

“What have *I* done today for freedom?

What can I do tomorrow that will save the lives of
men like this and help them win the war?”

To help you to do your share, the Government has organized the Citizens Service Corps as a part of local Defense Councils, with some war task or responsibility for every man, woman and child. Probably such a Corps is already at work in your community. If not, help to start one. A free booklet available through your local Defense Council will tell you what to do and how to do it. Go into action today, and get the satisfaction of doing a needed war job well!
