

I got myself a seniors' GPS. Not only does it tell me how to get to my destination, it tells me why I wanted to go there.

*At
least
you
always
knew
where
it
was.*

**People who ask
me what I'm
doing tomorrow
probably assume
that I even know
what day of the
week it is.**

My wife is blaming me for ruining her Birthday
That's ridiculous, I didn't even know it was her Birthday

I am starting
to think
I will never
be old enough
to know better.

**I'm at that age where my
mind still thinks I'm 29, my
humor suggests I'm 12
while my body mostly
keeps asking if
I'm sure I'm not
dead yet.**

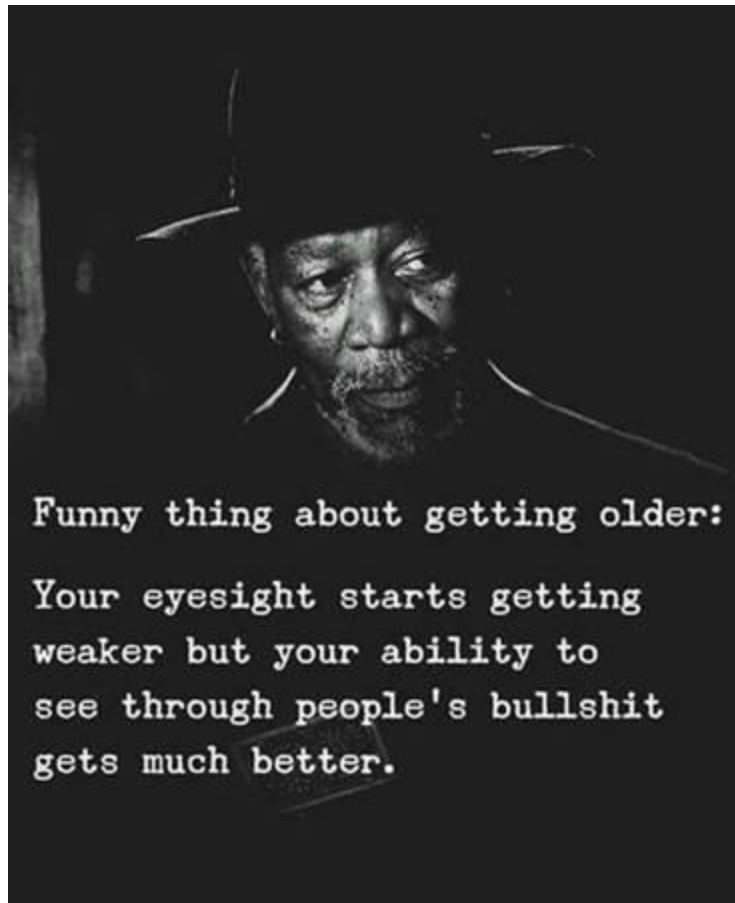

If you ever see me
JOGGING

*Aging
Gracefully*

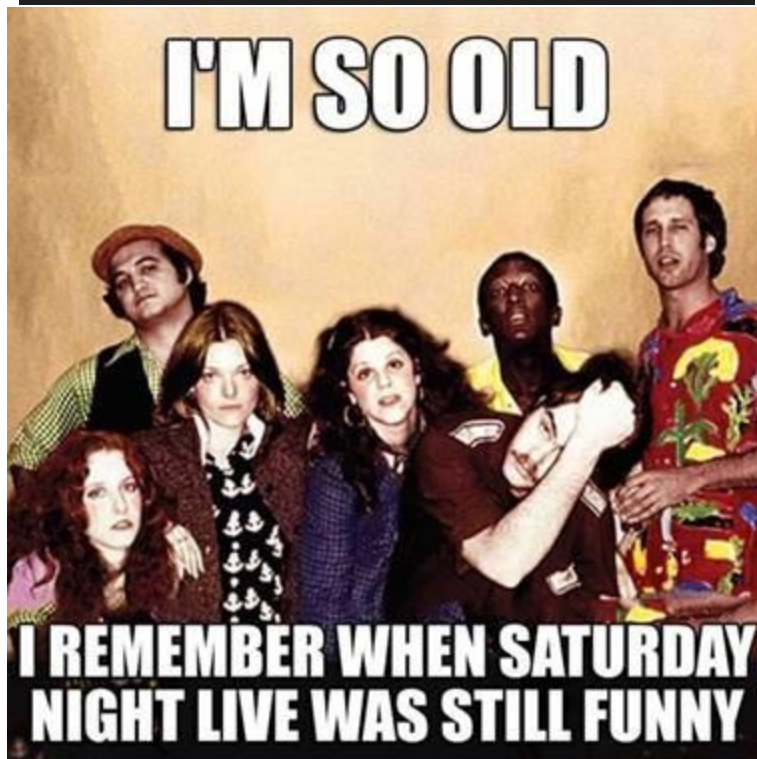

PLEASE
kill whatever
is chasing me!

MissPawnee

Funny thing about getting older:
Your eyesight starts getting
weaker but your ability to
see through people's bullshit
gets much better.

I'M SO OLD

**I REMEMBER WHEN SATURDAY
NIGHT LIVE WAS STILL FUNNY**

Found my Grandpas
old GPS unit

*The older I get,
the earlier
it gets late!*

The distance it takes for me to forget a number between 1 and 10

**CHILDHOOD INJURIES:
FELL OFF MY BIKE
FELL OUT OF A TREE
TWISTED MY ANKLE**

**ADULT INJURIES:
SLEPT WRONG
SAT DOWN TOO LONG
SNEEZED TOO HARD**

50 YEARS OLD

**STILL LOOKS BETTER THAN
ANYTHING MADE TODAY**

**Threw out my back sleeping
and tweaked my neck
sneezing so I'm probably
just one strong fart away
from complete paralysis.**
